List the specific map layers you wish illustrated (i.e. streets, parcels, subdivisions, contours, zoning):

Specify which map layers to be labeled:

MAP USE LIMITATIONS

This graphic provided by the City of Mesquite should be utilized for general planning purposes only, and is not intended for engineering or spatial analyses applications. The data illustrated contains no warranties of any kind regarding map scale, data accuracy, interpretation or temporal acquisition. By signing this GIS Mapping Services Request form, the user acknowledges the aforementioned usage limitations.

SERVICE FEES & PAYMENT INFORMATION

The City of Mesquite has made every effort to provide affordable GIS mapping products to the community. The fees outlined below include costs for staff, data retrieval, software usage, plotter time, paper and ink. Please note that specialty maps requiring unique sizing and/or extra data processing will be billed at a base rate of \$30, plus an additional fee of \$20 per half-hour. The customer is expected to pay half of the estimated total bill at the time of request, and pay the balance upon delivery. Vellum paper will add \$2.00 per copy.

Printed Map Fees (per copy)
