

## **Invitation to Submit Qualifications**

**RFQ-09-02**

The City of Mesquite, Nevada requests qualifications from general contractors interested in submitting bids for the construction of the Wastewater Treatment Plant Expansion and Upgrade project. Only pre-qualified general contractors will be allowed to bid the project. The work consists of: headworks upgrade, new oxidation ditch, two new clarifiers, new RAS pump station, modifications to existing clarifiers and RAS pump station, new secondary effluent equalization system, new filter, modifications to UV disinfection and effluent pumping, new solids holding tank, new solids handling building, new operations building, and other items.

This project is expected to bid in March/April 2009, and the engineer's opinion of probable cost is \$22-23 million.

**The request for qualifications and information regarding the project may be obtained from Forsgren Associates, Inc., 370 East 500 South, Suite 200, Salt Lake City, Utah, 84111, 801-364-4785, attention Jason Broome.**

Prequalification documents will be available January 12, 2009, and statement of qualification submissions must be received by the City of Mesquite (10 East Mesquite Blvd, Mesquite, NV 89027) by **February 3, 2009, at 2:00 p.m.** Qualifications must be submitted in a sealed envelope plainly marked "**Statement of Qualifications for the City of Mesquite WWTP Expansion and Upgrade Project**" to the attention of the City Clerk.

The City of Mesquite reserves the right to reject any and all bids or waive any informalities or minor defects. Award will be made on the basis of the lowest responsible bidder, unit price, conformance to specifications, bidder's qualifications and bid judged to be in the best interest of the owner, each factor being considered.

By order of the Interim City Clerk of Mesquite, NV

---

Sheree Goessman, Interim City Clerk
