

Invitation to Submit Proposals

RFP-09-02

The City of Mesquite, Nevada requests proposals from equipment suppliers interested in supplying an Ultraviolet (UV) Disinfection System for the City of Mesquite Wastewater Treatment Plant Expansion and Upgrade project. The selected supplier's proposal will be included in the documents provided in the General Contractors bidding package. The work consists of supplying low pressure, high intensity, open channel, gravity flow, automatic wiping UV disinfection system equipment and other ancillary equipment required to make a complete UV disinfection system to fit within existing UV channels.

The request for proposal documents will be available January 12, 2009 and may be obtained from Forsgren Associates, Inc., 415 S. 4th Street, Boise, Idaho, 83702, 208-342-3144, attention Robyn Mattison.

Proposals must be received by the City of Mesquite (10 East Mesquite Blvd, Mesquite, NV 89027) by **February 3, 2009, at 2:00 p.m.** Proposals must be submitted in a sealed envelope plainly marked "**Proposal for Ultraviolet Disinfection System Equipment for the City of Mesquite WWTP Expansion and Upgrade Project**" to the attention of the City Clerk.

The City of Mesquite reserves the right to reject any and all bids or waive any informalities or minor defects. Award will be made on the basis of the lowest responsible bidder, unit price, conformance to specifications, bidder's qualifications and bid judged to be in the best interest of the owner, each factor being considered.

By order of the Interim City Clerk of Mesquite, NV

Sheree Goessman, Interim City Clerk
